

LARS

RESTAURANT AND BAR

The Legend of Lars

Nestled in the heart of our hotel is a story that inspired the very essence of this restaurant: the tale of Lars, a true Renaissance man. From childhood, Lars had an insatiable curiosity—a love for travel that took him to distant lands, and a passion for books that filled every corner of his home... though, admittedly, he wasn't always gentle with them. Pages often peeked out at odd angles, a testament to adventures both real and imagined.

Lars also loves the great outdoors, spending countless nights camping under the stars, gathering friends around crackling bonfires, and roasting s'mores while sharing stories that last a lifetime. A passionate traveler and avid fisherman, Lars has explored oceans and waterways around the world, chasing adventure from quiet northern lakes to deep-sea fishing excursions across distant coasts. Over the years, he's collected trophies—not just fish, but memories: breathtaking sunrises on open water, laughter shared with friends, and the simple joys of a life fully explored. Today, his trophy room lives right here in the hotel, a tribute to his love of adventure, discovery, and the stories each experience brings.

Every dish, every sip, every corner of LARS carries a piece of him—his curiosity, his joy, and his adventurous spirit. So, pour a drink, turn the page, and raise a glass to a life well-lived, inspired by a man whose journey continues to inspire all who enter these doors.
